PINOT GRIS

2007

ALC. 14.2% BY VOL

2007 Umpqua Valley Pinot Gris

The wine is a shimmering, brilliant pale straw color with hints of green around the edges of the glass.

The aromas have pronounced green apple and quince notes with touches of fresh mown grass, ripe banana and tropical floral notes with a hint of pineapple. The flavors echo the fruit highlights with a silky, generous mouthfeel.

The crisp acidity keeps the finish clean and long lasting, perfectly countering the full texture. This wine is clean, fresh and bright.

The acid in the wine would compliment fresh shellfish, our favorites Dungeness crab and oysters, while the textural qualities would pair well with a smoked chicken salad or a savory mushroom risotto.

Bottled (cork free) March 2008 | 620 cases produced
Alcohol 14.2%-dry
